Football Players

The Pewaukee Junior Pirate youth football program begins its 14th season in less than two months. We begin this season with the **equipment handout on Monday, August 3, 2009** at Pewaukee High School, in the upstairs balcony of the gym. Please try to attend at your scheduled time, but come when you can if you have a schedule conflict. Please call your Head Coach if you cannot attend on this date. KM Sports will be on-site with a variety of football shoes and accessories for purchase during this time.

The first day of football practice begins **Tuesday, August 4th** at the PHS athletic fields, 5:30 to 8:00 p.m. Players need only their helmets, football shoes, shorts, mouth guards and tee shirt for the first week. The first 10 hours of our training camp is free from contact and is primarily for conditioning and player evaluation. Beginning on **Monday, August 10th**, all pads and full practice uniform will be required. Any equipment adjustments can be made before practice begins. How can you help Pewaukee Youth Football?

***Family Contribution**

The success of our program is a tribute to our families! Our coaches, team parents, concessions, chain gang, game day set-up and clean-up, game clock, press box announcers and many others make it a special occasion. To make it easy on the planning, every family will be assigned a 90 minute slot to help with our games or for other special projects. Since we are able to spread the work around to the large contingent of families it does not place undue burden on just a few families. The team parents will send the schedule to all of the families with a reminder the week of your contribution. If you need to switch, just contact one of other team members. Team Parents Needed!! Please contact Pete Bacon at pbacon@pewaukeefootball.org to volunteer.

From the desk of the Co-Presidents (Pete Bacon and Karl Fritchen)

Thank you for being a part of our football family. We wanted to update you about a few changes to the structure of the club. After thirteen years, Joel Donohue is retiring as President of the PYFA. Joel has made numerous contributions to the club. We want to wish Joel the best and we know that he will not be a stranger to our program. The two of us are entering our 8th year with the club and we are looking forward to continuing the great tradition of Pewaukee Youth Football. Joel, thanks for all of your help over the years! We recently expanded the board with the addition of Bill Restock, Brad Bateman, Kevin Hehn, and Rick Eggert. Each of these individuals has been very active in our club as either a coach or parent and we really appreciate their enthusiasm and willingness to help.

This is an exciting time to be a part of Pewaukee Football. The recent success of the High School program continues to grow and the success begins with the youth program. Nearly every Varsity player played on our youth program.

We wanted to highlight some of the changes to the schedule. We are moving equipment handout from Saturday, August 1st to Monday night, **August 3rd**. Due to the calendar this year, we actually have six weeks of practice before our first game, so we have cut back on the number of practices per week. Both of these changes should provide the families a little more free time while giving the players sufficient time for our scrimmages and games.

We are starting a new tradition at Pewaukee. We will be holding our 1st annual varsity/youth football cookout. At the conclusion of the August 7th practice, the high school and youth players will be grilling out together. Many of the Varsity players will be able to spend some time with the youth program as we continue to build the bond between the high school and youth players. Also, on August 7th, we are asking each family to send at least one parent to our parent meeting. We want to introduce ourselves to you, layout the program expectations, and discuss the upcoming season. Pewaukee Head Football Coach Clay Iverson will also be speaking that night to give you his perspective of Pewaukee Football. The parent meeting will last about an hour and begins at 7 PM. The meeting will be held in the bleachers in front of the press box.

The last item that we want to highlight is the annual youth night. Once again, the Jr. Pirates will form the tunnel for the Pirates for the first home game scheduled for Friday August 28th. Game time is scheduled for 7 PM.

If you have any questions, please do not hesitate calling Pete Bacon at 414-688-7053. Thank you again for your time and for being a part of the Junior Pirate family.

Sincerely,

Pete Bacon & Karl Fritchen
